NOW, THEREFORE, in consideration of the mutual covenants and agreements contained in this Agreement and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the City and Developer agree as follows:

SECTION I
INCORPORATION OF RECITALS

The Recitals set forth above are an integral part of this Agreement and by this reference are incorporated in this Section I.

SECTION II
REPRESENTATIONS AND WARRANTIES

2.1. **Representations and Warranties of Developer**. To induce the City to execute this Agreement and perform the obligations of the City hereunder, Developer hereby represents and warrants to the City as follows:

(a) Developer is a duly organized and existing limited liability company in good standing under the laws of the State of Delaware authorized to do business in Illinois;

(b) No litigation or proceedings are pending, or to the best of Developer’s knowledge, are threatened against Developer, which could: (i) affect the ability of Developer to

perform its obligations pursuant to and as contemplated by the terms and provisions of this Agreement; or (ii) materially affect the operation or financial condition of Developer;

(c) To the best of Developer's knowledge, the execution, delivery and performance by Developer of this Agreement does not constitute, and will not, upon giving of notice or lapse of time, or both, constitute a breach or default or "event of default" under any other agreement to which Developer is a party to or by which it may be bound;

(d) The parties executing this Agreement on behalf of Developer have been duly authorized by all appropriate action to enter into, execute, and deliver this Agreement and perform the terms and obligations contained herein;

(e) Developer is under contract to acquire the fee simple legal title of the Developer Property;

(f) Developer agrees to pay all costs associated with the Developer Project as set forth in this Agreement and to indemnify and hold the City harmless therefrom; and

(g) The above representations and warranties are made in addition to all other representations and warranties made throughout this Agreement.

2.2. **Representations and Warranties of the City.** To induce the Developer to execute this Agreement and to perform the Developer's obligations hereunder, the City hereby represents and warrants to the Developer as follows:

(a) The City is an Illinois municipal corporation duly incorporated and existing under the laws of the State of Illinois, and is authorized to and has the power to enter into, and by proper action has been duly authorized to execute, deliver and perform this Agreement; and

(b) Subject to the City obtaining the Required Amendments, neither the execution and delivery of this Agreement by the City, the consummation of the transactions contemplated hereby by the City, nor the fulfillment of or compliance with the terms and conditions of this Agreement by the City conflicts with or will result in a breach of any of the terms, conditions or provisions of any offerings or disclosure statement made or to be made on behalf of the City or any other agreement to which the City is a party.

2.3. **Survival of Representations and Warranties.** The parties agree that, to the best of their respective knowledge, all of their representations and warranties set forth in this Agreement are true as of the execution date of this Agreement and shall survive for the term of this Agreement.

SECTION III **DEVELOPER OBLIGATIONS**

3.1. **Acquisition of Property & Construction of Facility.** Developer shall acquire title to the Developer Property and complete construction of a new building (the "**Facility**") of no less than 310,000 square feet to be utilized primarily for manufacturing, industrial, warehousing or distribution purposes, with an occupancy permit for said space to be obtained no later than May 1, 2020. The exterior walls of the Facility will be constructed of pre-cast concrete. All construction shall comply with all federal, state and local regulations, codes, ordinances and laws of general

applicability (all as amended from time-to-time), as well as meet or exceed the **Design Criteria** attached hereto as **Exhibit “B”** and comply with other agreements of record, including but not limited to applicable annexation agreements (collectively, the **“Legal Requirements”**). Any construction must be subject to the City’s standard review and approval process for other development and construction projects occurring throughout the City.

3.2. **Responsibility for Developer Project Costs.** The Developer shall remain ultimately responsible for all costs associated with the obligations of this Agreement for the Developer Project, and does hereby agree to indemnify and hold the City harmless from any costs or liability it may incur in connection with the same. The City shall have no obligation to perform or pay for any portion of the Developer Project.

3.3. **Eligible Redevelopment Project Costs.** **“Developer Eligible Redevelopment Project Costs”** are those Redevelopment Project Costs incurred and paid by Developer which the Developer shall be reimbursed from Available Developer Property Increment (defined in Section 4.3), to the extent available and up to the Maximum TIF Amount (defined in Section 5.1). Developer Eligible Redevelopment Costs will be limited to those Redevelopment Project Costs as allowed by the Act which shall include but not be limited to the acquisition of the Developer Property, costs of surveys, architectural planning, engineering planning, site preparation costs and costs of marketing.

3.4. **Utilization.** The Developer Property shall at all times be utilized in a manner consistent with manufacturing, industrial, warehousing or distribution purposes as well as other permissible uses identified in or allowed by the Act and the Redevelopment Plan, provided the same complies with the Legal Requirements.

3.5. **Plans and specifications.** All site, architectural and engineering drawings and specifications (the **“Plans”**) for the Developer Property, inclusive of the Plans for the building(s) to be erected on the Developer Property, shall be submitted to the City by Developer at its sole cost and expense and shall be reviewed and processed by the City or its agents pursuant to City Ordinance, as amended from time-to-time, and as set forth below. Such Plans shall conform to the Legal Requirements.

3.6. **City’s Right to Monitor and Inspect Developer Property.** The City’s right to inspect the Developer Property, and the construction of improvements or operation of businesses located thereon, shall not be greater than those which apply to other property generally throughout the City. All such inspections shall be conducted in accordance with the City Ordinances.

3.7. **Real Estate Taxes.** To the extent required by law, Developer shall pay all real estate tax bills, inclusive of any special assessments and special service area taxes levied upon the Developer Property, on or before the date on which they are due and payable. The payment of such sums in a timely fashion is a condition precedent to receipt by Developer of any reimbursements described in this Agreement. During the term of this Agreement, Developer shall not undertake to contest the real estate taxes levied against its property.

SECTION IV
TAX INCREMENT FINANCING

4.1. **Tax Increment Allocation Financing of Redevelopment Project Costs.** Developer has represented to the City that, but for tax increment financing, the Developer Project would not be economically viable. The Parties agree that tax increment allocation financing, implemented in accordance with the terms and provisions of the Act and this Agreement, will be a source of providing partial funding for the Developer Project to make the Developer Project economically viable within the City.

4.2. **Authenticating the Developer Eligible Redevelopment Project Costs.** Prior to the City's certification of costs as Developer Eligible Redevelopment Project Costs in accordance with this Agreement, and to establish a right of reimbursement for specific Developer Eligible Redevelopment Project Cost under this Agreement, Developer shall submit to the City or its designee a written statement setting forth the amount of specific Developer Eligible Redevelopment Project Cost for which certification is sought (each a "**Request for Certification**"). Such Request for Certification shall be accompanied by a signed real estate settlement closing statement, real estate transfer declaration statement, copy of the deed containing evidence of recording the Winnebago County Recorder's Office transferring title to Developer and such other evidence as the City or its designee shall reasonably require evidencing that Developer has incurred and paid the Developer Eligible Redevelopment Project Costs sought to be certified. If a Request for Certification is deficient, the City shall notify the Developer of the specific deficiencies and the Developer shall have the opportunity to cure such deficiency. Upon the Developer's delivery of reasonably sufficient evidence the City shall certify such costs in accordance with this Agreement.

4.3. **Available Tax Increment and Priority of Payment.** For the purposes of this Agreement, the term "**Developer Property Increment**" means one hundred percent (100%) of that portion of the ad valorem taxes if any, arising from the taxes levied upon the Developer Property upon which a building is constructed and an occupancy permit granted thereto, which taxes are actually collected and which are attributable to the increases in the then current equalized assessed valuation ("**EAV**") of the Developer Property over and above the total initial EAV of the Developer Property as determined by the Winnebago County Clerk pursuant to the Act, and further in accordance with this Agreement, and which includes any replacement, substitute or amended taxes. For the purposes of this Agreement, "**Available Developer Property Increment**" means the One Hundred percent (100%) of the Developer Property Increment which is deposited into the Special Tax Allocation Fund, as hereinafter defined, attributable to tax years 2020 through 2024 and Eighty percent (80%) of the Developer Property Increment deposited into the Special Tax Allocation Fund attributable to tax years 2025 through 2029. The parties to this Agreement acknowledge that any Developer Property Increment attributable to a specific tax year is billed in the following calendar year by the Winnebago County Treasurer. For example, Developer Property Increment attributable to tax year 2020 is billed, and payment due, in calendar year 2021 by the Winnebago County Treasurer. "**Special Tax Allocation Fund**" ("**STAF**") means the separate City account into which the Developer Property Increment and other incremental taxes generated within the Redevelopment Project Area are, from time to time, deposited.

4.4. **Restrictions on Assignment.** Developer shall not assign any of its rights or obligations under this Agreement without the express prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed and for which the City may

require the assignee to assume certain obligations of this Agreement. Notwithstanding the foregoing, Developer shall have the right to assign this Agreement at any time to any corporation, partnership or other business entity controlled by Developer or by the majority of the members or officers thereof or to any land trust of which Developer or other business entity controlled by Developer or the majority of the members or officers thereof is the beneficiary. For purposes of this Section, Developer shall not be deemed to be in control of another business entity unless Developer or a majority of the members of Developer has an ownership interest in such business entity equal to or greater than 51%. Furthermore, the assignee shall also expressly adopt and confirm the Developer's representations and warranties which are contained in this Agreement as of the time of the assignment. Notwithstanding the foregoing, Developer shall be able to assign its rights to payments to be received by it to a lender in order to secure loans relating to its obligations under this Agreement or to construct buildings on the Developer Property.

SECTION V **CITY OBLIGATIONS**

5.1. **Payment of Available Developer Property Increment.** On or before December 1st of each year, the City shall determine the amount of Available Developer Property Increment available to make payment to reimburse Developer for any Developer Eligible Redevelopment Project Costs which have been certified by the City. The City will issue payment of the same to Developer within forty-five days thereof. The maximum cumulative amount to be paid out by the City pursuant to this Agreement shall not exceed Four Million Three Hundred Forty Three Thousand Three Hundred Sixty Four Dollars (\$4,343,364.00) (“**Maximum TIF Amount**”).

5.2. **Obligations of City.**

(a) All payment obligations on the part of the City contained in this Agreement are contingent upon and shall be payable solely from the annual receipt of Available Developer Property Increment paid into the STAF and further subject to the provisions of the Act and this Agreement.

(b) The City will have no obligation to issue any Bonds or borrow any funds.

(c) This Agreement is subject to the Required Amendments being executed prior to April 10, 2019.

SECTION VI **COMPLIANCE WITH LAW**

6.1. **Defense of Industrial Jobs Recovery Law District:** In the event that any court or governmental agency having jurisdiction over enforcement of the Act and the subject matter contemplated by this Agreement shall determine that this Agreement or payments to be made hereunder are contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City and Developer shall reasonably cooperate with each other concerning an appropriate strategy acceptable to both parties to defend the validity of the Redevelopment Project Area, and this Agreement. Furthermore, each party shall pay their respective legal fees, court costs and other expenses directly related to defense of the Redevelopment Project Area that each party shall incur as a result of defense of the Redevelopment Project Area. In the event of an adverse lower court

or agency ruling, payments of tax increment allocation financing shall be suspended during the pendency of any appeal thereof, but such payments shall be reinstated retroactively if such adverse ruling is reversed by the reviewing court or agency and to the extent that the STAF has received such increment.

6.2. **Use of Land.** Developer intends that the Developer Property shall be utilized solely in a manner consistent with the Act and as further restricted by this Agreement and the Annexation Agreement. To the extent that it should be determined by the State of Illinois or by a court of competent jurisdiction that the Developer has not met the requirements of the Act, such determination will be an additional Event of Default hereunder such that Developer shall not be entitled to any further distributions of increment and, to the extent required by law, any reimbursement of funds determined to have been paid to Developer in error or in violation of the Act shall be immediately due and payable from Developer to the City.

6.3. **Compliance with Law.** Neither Developer nor any of its contractors, subcontractors or material suppliers shall discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the construction of the Developer Project and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the construction of the Developer Project. To the extent required by law, public works projects will be performed in accordance with prevailing wage laws.

SECTION VII **INSURANCE DURING TERM OF AGREEMENT**

7.1. Prior to commencement of a portion or all of the Developer Project, the Developer shall procure, at the Developer's cost and expense, and shall maintain in full force and effect until each and every obligation of the Developer contained in this Agreement has been fully paid or performed, a policy or policies of general commercial comprehensive liability insurance and, during any period of construction, contractor's liability insurance and worker's compensation insurance, with liability coverage under each such policy to be not less than \$1,000,000 for each occurrence and including automobile insurance coverage. All such policies shall protect the Developer against any liability incidental to the use of or resulting from any claim for injury or damage occurring in or about the Developer Project or the improvements or the construction and improvement thereof and shall name the City as an additional named insured waiving any right of subrogation.

SECTION VIII **DEFAULT REMEDIES**

8.1. **Defaults/Remedies:** If, subject to Section 8.2, either party defaults under this Agreement or fails to perform or keep any term or condition required to be performed or kept by such Party, the defaulting party shall, upon written notice from the other non-defaulting party, proceed to cure or remedy such default or breach within sixty (60) days after receipt of such notice. In the case of an uncured City default, the Developer shall have as its sole and exclusive remedy the right of specific performance. In the event of an uncured default by Developer, the City will be under no obligation to continue any payments of Available Developer Property Increment, may terminate all pledges of Available Developer Property Increment, and may cancel this Agreement and/or any future payments due hereunder. The City will have the right to require specific

performance or to perform any term hereof and then be entitled to indemnity for the costs thereof from Developer. Provided the default by Developer is cured within sixty (60) days, those annual payments which would have been paid, if not for Developer default, will then be paid to Developer.

8.2. **Event of Default.** For purposes of the Agreement, the occurrence of any one or more of the following (or any other events identified elsewhere in this agreement as an Event of Default), shall constitute an “**Event of Default**”:

(a) If, at any time, any material term, warranty, representation or statement made or furnished by the City or Developer (including the representations and warranties of Developer described in Section 2.1 hereof) is not true and correct in any material respect because of which either Party is unable to fulfill its obligations hereunder; or

(b) Failure by Developer to meet any of the conditions, obligations or covenants contained in this Agreement, including but not limited to the failure of Developer to construct the Facility in the manner and within the time described in this Agreement; or

(c) If any petition is filed by or against the City or Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing (and in the case of involuntary proceedings, failure to cause the same to be vacated, stayed or set aside within ninety (90) days after filing); or

(d) If any lender of Developer (or a lender of any affiliated entity of Developer), forecloses on any of the Developer Property or accepts a deed in lieu of foreclosure from Developer for any of the Developer Property or if any portions of the Developer Property are in any other manner surrendered to a lender; or

(e) If City fails to make payment to Developer of tax increment allocation which is due under this Agreement pursuant to Section 5.1, unless such payment is determined to be disallowed under the Act; or

(f) If Developer fails to pay any real estate tax when due; or

(g) Any assignment, pledge, encumbrance, transfer or other disposition which is prohibited under this Agreement; or

(h) If Developer fails to pay any SSA payment.

8.3. **Waiver and Estoppel.** Any delay by the City or Developer in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City or Developer of or limit such rights in any way. No waiver made by the City or Developer with respect to any specific default shall be construed, considered or treated as a waiver of the rights of the City or Developer with respect to any other defaults;

SECTION IX **PERFORMANCE**

9.1. **Time of the Essence.** Time is of the essence of the Agreement.

9.2. **Permitted Delays**. Neither the City nor Developer shall be considered in breach of its obligations with respect to the commencement and completion of the Developer Project or provision of tax increment financing, because of the impossibility of performance or the limitations of Illinois law, or in the event of delay in the performance of such obligations due to unforeseeable causes beyond such Party's control and without such Party's fault or negligence, including any delays or due to court order, acts of God, acts of the public enemy, acts of the United States, acts of the other party, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, embargoes, economic exigencies, shortages of labor or materials and severe weather or delays of subcontractors due to such causes or any other situation recognized as a force majeure. Subject to the limitations and restrictions of the Act, the time for the performance of the obligations shall be extended for the period of the enforced delay if the City or Developer, as the case may be, seeking the extension shall notify in writing the other within twenty (20) days after the beginning or any such delay and shall use diligence in attempting to complete performance of its obligations.

SECTION X **GENERAL**

10.1. **Drafter Bias**: The parties acknowledge and agree that the terms of this Agreement are the result of on-going and extensive negotiations between the parties, both of whom are represented by independent counsel, and that this Agreement is a result of said negotiations. As a result, in the event that a court is asked to interpret any portion of this contract, neither of the parties shall be deemed the drafter hereof and neither shall be given benefit of such presumption that may be set out by law.

10.2. **Partnership not intended nor Created**: Nothing in this Agreement is intended to, nor shall be deemed to, constitute a partnership or joint venture between the Parties.

10.3. **Entirety and Binding Effect**: This document represents the entirety of the agreement between the Parties and shall be binding upon them and inure to the benefit of and be enforceable by and against their respective successors, personal representatives, heirs, legatees, and assigns.

10.5. **Use of Headings**: The headings appearing in this Agreement have been inserted for the purpose of convenience and ready reference. They do not purport to, and shall not be deemed to, define, limit or extend the scope or intent of the clauses to which they pertain.

10.6. **Amendments and Modifications**: Except as otherwise provided for herein, this Agreement may not be amended, modified, or terminated, nor may any obligation hereunder be waived orally, and no such amendment, modification, termination, or waiver shall be effective for any purpose unless it is in writing, and bears the signatures of all of the Parties hereto.

10.7. **Defaults:** In the event of a default and/or litigation arising out of enforcement of this Agreement, the parties hereto acknowledge and agree that each party shall be responsible for their own costs, charges, expenses, and their reasonable attorney's fees arising as a result thereof.

10.8. **Indemnification:** Developer agrees to indemnify and hold the City and its officers, elected and appointed, employees, agents, and attorneys harmless from and against any and all loss, damage, cost, expense, injury, or liability the City may suffer or incur in connection with the failure of the Developer to comply with this Agreement. Developer further agrees to defend, indemnify and hold harmless City for any liability other than that resulting solely from a negligent act of the City.

10.9. **Third Party Participation:** Developer may request that the City allow a third party purchaser of a parcel or parcels (or portion thereof) of the Developer Property to enter into a Redevelopment Agreement with the City, but no right shall arise from this provision and the City shall have sole and absolute discretion in whether to enter into any such additional redevelopment agreements. The City may require as a condition of any such third party Redevelopment Agreement that Developer modify the terms of this Agreement such that the increment relating to the land subject to the third party agreement, to the extent that the same would have been paid to Developer under the terms of this Agreement, shall be shared in whole or in part with such third party.

ARCHITECTURAL DESIGN CRITERIA

Overall Character

The buildings throughout Developer Property will be a tasteful mixture of traditional and contemporary forms and elements. The entry of each building will be signaled in mass and form, while the remaining extents of the buildings vary in composition and/or massing so as not to be repetitive. Each building will have at least one signature, architectural massing element that sets it apart from the rest and identifies it better than signage can alone. These forms very often signal the entry, although they do not need to.

Materials

As a high quality development that is built for the future, buildings located on the Developer Property will employ materials with a consideration to the sense of quality they invoke, their historic usage, and longevity. The colors used by buildings reinforce the goal to foster a warm and inviting atmosphere. A building's primary color will predominantly be warm tones common to the earth, stone, prairie and forest. Contrasting, bold and saturated colors are acceptable as accents but should not be a dominant color.

Buildings may vary greatly in the materials they employ, but do not use those that invoke images not in keeping with a high quality, timeless, professional environment. The buildings throughout the Developer Property shall adhere to the following:

1. Roof System:
 - a. The roof system shall have a parapet around the entire perimeter of the building for the purpose of concealing from ground view, while at the same grade level, the membrane or metal panel roof system.
 - b. No visible gable roof systems allowed.
 - c. No exposed gutters allowed.
 - d. Interior or exterior roof drainage system utilizing scuppers will be allowed.

2. Exterior Wall System Finish and Facade System Finish Material:
 - a. The following are not allowed building materials unless the City's Director of Community Development approves the architectural design of the building, in its sole discretion:
 - i. Metal except as appropriate for accent (i.e. metal cladding, window systems, doors etc); or
 - ii. Corrugated metals; or
 - iii. EIFS; or
 - iv. Wood materials; or
 - v. Flat CMU units; or
 - vi. Wood or hardy plank; or
 - vii. Vinyl or Plastic; or

- viii. Exposed Concrete / Cinder Block (without rustication); or
- ix. Asphalt shingle

This exhibit shall not waive any of the development or design guidelines referenced in the annexation agreements of record relating to the Developer Property, but shall act to further restrict the same. The requirements of this Exhibit may be waived by written express intent referencing waiver of specific requirements of this exhibit by the Mayor or Director of Community Development.

SECTION I
INCORPORATION OF RECITALS

The Recitals set forth above are an integral part of this Agreement and by this reference are incorporated in this Section I.

SECTION II
REPRESENTATIONS AND WARRANTIES

2.1. **Representations and Warranties of Developer**. To induce the City to execute this Agreement and perform the obligations of the City hereunder, Developer hereby represents and warrants to the City as follows:

(a) Developer is a duly organized and existing limited liability company in good standing under the laws of the State of Delaware authorized to do business in Illinois;

(b) No litigation or proceedings are pending, or to the best of Developer’s knowledge, are threatened against Developer, which could: (i) affect the ability of Developer to

perform its obligations pursuant to and as contemplated by the terms and provisions of this Agreement; or (ii) materially affect the operation or financial condition of Developer;

(c) To the best of Developer's knowledge, the execution, delivery and performance by Developer of this Agreement does not constitute, and will not, upon giving of notice or lapse of time, or both, constitute a breach or default or "event of default" under any other agreement to which Developer is a party to or by which it may be bound;

(d) The parties executing this Agreement on behalf of Developer have been duly authorized by all appropriate action to enter into, execute, and deliver this Agreement and perform the terms and obligations contained herein;

(e) Developer is under contract to acquire the fee simple legal title of the Developer Property;

(f) Developer agrees to pay all costs associated with the Developer Project as set forth in this Agreement and to indemnify and hold the City harmless therefrom; and

(g) The above representations and warranties are made in addition to all other representations and warranties made throughout this Agreement.

(a) The City is an Illinois municipal corporation duly incorporated and existing under the laws of the State of Illinois, and is authorized to and has the power to enter into, and by proper action has been duly authorized to execute, deliver and perform this Agreement; and

(b) Subject to the City obtaining the Required Amendments, neither the execution and delivery of this Agreement by the City, the consummation of the transactions contemplated hereby by the City, nor the fulfillment of or compliance with the terms and conditions of this Agreement by the City conflicts with or will result in a breach of any of the terms, conditions or provisions of any offerings or disclosure statement made or to be made on behalf of the City or any other agreement to which the City is a party.

2.3. **Survival of Representations and Warranties.** The parties agree that, to the best of their respective knowledge, all of their representations and warranties set forth in this Agreement are true as of the execution date of this Agreement and shall survive for the term of this Agreement.

SECTION III **DEVELOPER OBLIGATIONS**

3.1. **Acquisition of Property & Construction of Facility.** Developer shall acquire title to the Developer Property and complete construction of a new building (the "**Facility**") of no less than 310,000 square feet to be utilized primarily for manufacturing, industrial, warehousing or distribution purposes, with an occupancy permit for said space to be obtained no later than May 1, 2020. The exterior walls of the Facility will be constructed of pre-cast concrete. All construction shall comply with all federal, state and local regulations, codes, ordinances and laws of general

applicability (all as amended from time-to-time), as well as meet or exceed the **Design Criteria** attached hereto as **Exhibit “B”** and comply with other agreements of record, including but not limited to applicable annexation agreements (collectively, the **“Legal Requirements”**). Any construction must be subject to the City’s standard review and approval process for other development and construction projects occurring throughout the City.

3.2. **Responsibility for Developer Project Costs.** The Developer shall remain ultimately responsible for all costs associated with the obligations of this Agreement for the Developer Project, and does hereby agree to indemnify and hold the City harmless from any costs or liability it may incur in connection with the same. The City shall have no obligation to perform or pay for any portion of the Developer Project.

3.3. **Eligible Redevelopment Project Costs.** **“Developer Eligible Redevelopment Project Costs”** are those Redevelopment Project Costs incurred and paid by Developer which the Developer shall be reimbursed from Available Developer Property Increment (defined in Section 4.3), to the extent available and up to the Maximum TIF Amount (defined in Section 5.1). Developer Eligible Redevelopment Costs will be limited to those Redevelopment Project Costs as allowed by the Act which shall include but not be limited to the acquisition of the Developer Property, costs of surveys, architectural planning, engineering planning, site preparation costs and costs of marketing.

3.4. **Utilization.** The Developer Property shall at all times be utilized in a manner consistent with manufacturing, industrial, warehousing or distribution purposes as well as other permissible uses identified in or allowed by the Act and the Redevelopment Plan, provided the same complies with the Legal Requirements.

3.5. **Plans and specifications.** All site, architectural and engineering drawings and specifications (the **“Plans”**) for the Developer Property, inclusive of the Plans for the building(s) to be erected on the Developer Property, shall be submitted to the City by Developer at its sole cost and expense and shall be reviewed and processed by the City or its agents pursuant to City Ordinance, as amended from time-to-time, and as set forth below. Such Plans shall conform to the Legal Requirements.

3.6. **City’s Right to Monitor and Inspect Developer Property.** The City’s right to inspect the Developer Property, and the construction of improvements or operation of businesses located thereon, shall not be greater than those which apply to other property generally throughout the City. All such inspections shall be conducted in accordance with the City Ordinances.

3.7. **Real Estate Taxes.** To the extent required by law, Developer shall pay all real estate tax bills, inclusive of any special assessments and special service area taxes levied upon the Developer Property, on or before the date on which they are due and payable. The payment of such sums in a timely fashion is a condition precedent to receipt by Developer of any reimbursements described in this Agreement. During the term of this Agreement, Developer shall not undertake to contest the real estate taxes levied against its property.

SECTION IV
TAX INCREMENT FINANCING

4.1. **Tax Increment Allocation Financing of Redevelopment Project Costs.** Developer has represented to the City that, but for tax increment financing, the Developer Project would not be economically viable. The Parties agree that tax increment allocation financing, implemented in accordance with the terms and provisions of the Act and this Agreement, will be a source of providing partial funding for the Developer Project to make the Developer Project economically viable within the City.

4.2. **Authenticating the Developer Eligible Redevelopment Project Costs.** Prior to the City's certification of costs as Developer Eligible Redevelopment Project Costs in accordance with this Agreement, and to establish a right of reimbursement for specific Developer Eligible Redevelopment Project Cost under this Agreement, Developer shall submit to the City or its designee a written statement setting forth the amount of specific Developer Eligible Redevelopment Project Cost for which certification is sought (each a "**Request for Certification**"). Such Request for Certification shall be accompanied by a signed real estate settlement closing statement, real estate transfer declaration statement, copy of the deed containing evidence of recording the Winnebago County Recorder's Office transferring title to Developer and such other evidence as the City or its designee shall reasonably require evidencing that Developer has incurred and paid the Developer Eligible Redevelopment Project Costs sought to be certified. If a Request for Certification is deficient, the City shall notify the Developer of the specific deficiencies and the Developer shall have the opportunity to cure such deficiency. Upon the Developer's delivery of reasonably sufficient evidence the City shall certify such costs in accordance with this Agreement.

4.3. **Available Tax Increment and Priority of Payment.** For the purposes of this Agreement, the term "**Developer Property Increment**" means one hundred percent (100%) of that portion of the ad valorem taxes if any, arising from the taxes levied upon the Developer Property upon which a building is constructed and an occupancy permit granted thereto, which taxes are actually collected and which are attributable to the increases in the then current equalized assessed valuation ("**EAV**") of the Developer Property over and above the total initial EAV of the Developer Property as determined by the Winnebago County Clerk pursuant to the Act, and further in accordance with this Agreement, and which includes any replacement, substitute or amended taxes. For the purposes of this Agreement, "**Available Developer Property Increment**" means the One Hundred percent (100%) of the Developer Property Increment which is deposited into the Special Tax Allocation Fund, as hereinafter defined, attributable to tax years 2020 through 2024 and Eighty percent (80%) of the Developer Property Increment deposited into the Special Tax Allocation Fund attributable to tax years 2025 through 2029. The parties to this Agreement acknowledge that any Developer Property Increment attributable to a specific tax year is billed in the following calendar year by the Winnebago County Treasurer. For example, Developer Property Increment attributable to tax year 2020 is billed, and payment due, in calendar year 2021 by the Winnebago County Treasurer. "**Special Tax Allocation Fund**" ("**STAF**") means the separate City account into which the Developer Property Increment and other incremental taxes generated within the Redevelopment Project Area are, from time to time, deposited.

4.4. **Restrictions on Assignment.** Developer shall not assign any of its rights or obligations under this Agreement without the express prior written consent of the City, which consent shall not be unreasonably withheld, conditioned or delayed and for which the City may

require the assignee to assume certain obligations of this Agreement. Notwithstanding the foregoing, Developer shall have the right to assign this Agreement at any time to any corporation, partnership or other business entity controlled by Developer or by the majority of the members or officers thereof or to any land trust of which Developer or other business entity controlled by Developer or the majority of the members or officers thereof is the beneficiary. For purposes of this Section, Developer shall not be deemed to be in control of another business entity unless Developer or a majority of the members of Developer has an ownership interest in such business entity equal to or greater than 51%. Furthermore, the assignee shall also expressly adopt and confirm the Developer's representations and warranties which are contained in this Agreement as of the time of the assignment. Notwithstanding the foregoing, Developer shall be able to assign its rights to payments to be received by it to a lender in order to secure loans relating to its obligations under this Agreement or to construct buildings on the Developer Property.

SECTION V **CITY OBLIGATIONS**

5.1. **Payment of Available Developer Property Increment.** On or before December 1st of each year, the City shall determine the amount of Available Developer Property Increment available to make payment to reimburse Developer for any Developer Eligible Redevelopment Project Costs which have been certified by the City. The City will issue payment of the same to Developer within forty-five days thereof. The maximum cumulative amount to be paid out by the City pursuant to this Agreement shall not exceed Four Million Three Hundred Forty Three Thousand Three Hundred Sixty Four Dollars (\$4,343,364.00) (“**Maximum TIF Amount**”).

5.2. **Obligations of City.**

(a) All payment obligations on the part of the City contained in this Agreement are contingent upon and shall be payable solely from the annual receipt of Available Developer Property Increment paid into the STAF and further subject to the provisions of the Act and this Agreement.

(b) The City will have no obligation to issue any Bonds or borrow any funds.

(c) This Agreement is subject to the Required Amendments being executed prior to April 10, 2019.

SECTION VI **COMPLIANCE WITH LAW**

6.1. **Defense of Industrial Jobs Recovery Law District:** In the event that any court or governmental agency having jurisdiction over enforcement of the Act and the subject matter contemplated by this Agreement shall determine that this Agreement or payments to be made hereunder are contrary to law, or in the event that the legitimacy of the Redevelopment Project Area is otherwise challenged before a court or governmental agency having jurisdiction thereof, the City and Developer shall reasonably cooperate with each other concerning an appropriate strategy acceptable to both parties to defend the validity of the Redevelopment Project Area, and this Agreement. Furthermore, each party shall pay their respective legal fees, court costs and other expenses directly related to defense of the Redevelopment Project Area that each party shall incur as a result of defense of the Redevelopment Project Area. In the event of an adverse lower court

or agency ruling, payments of tax increment allocation financing shall be suspended during the pendency of any appeal thereof, but such payments shall be reinstated retroactively if such adverse ruling is reversed by the reviewing court or agency and to the extent that the STAF has received such increment.

6.2. **Use of Land.** Developer intends that the Developer Property shall be utilized solely in a manner consistent with the Act and as further restricted by this Agreement and the Annexation Agreement. To the extent that it should be determined by the State of Illinois or by a court of competent jurisdiction that the Developer has not met the requirements of the Act, such determination will be an additional Event of Default hereunder such that Developer shall not be entitled to any further distributions of increment and, to the extent required by law, any reimbursement of funds determined to have been paid to Developer in error or in violation of the Act shall be immediately due and payable from Developer to the City.

6.3. **Compliance with Law.** Neither Developer nor any of its contractors, subcontractors or material suppliers shall discriminate based upon race, color, religion, sex, national origin or ancestry, age, handicap or disability, sexual orientation, military status, parental status or source of income in the construction of the Developer Project and shall comply with any and all federal, state and local laws, statutes, ordinances or regulations with regard to non-discrimination in the construction of the Developer Project. To the extent required by law, public works projects will be performed in accordance with prevailing wage laws.

SECTION VII **INSURANCE DURING TERM OF AGREEMENT**

7.1. Prior to commencement of a portion or all of the Developer Project, the Developer shall procure, at the Developer's cost and expense, and shall maintain in full force and effect until each and every obligation of the Developer contained in this Agreement has been fully paid or performed, a policy or policies of general commercial comprehensive liability insurance and, during any period of construction, contractor's liability insurance and worker's compensation insurance, with liability coverage under each such policy to be not less than \$1,000,000 for each occurrence and including automobile insurance coverage. All such policies shall protect the Developer against any liability incidental to the use of or resulting from any claim for injury or damage occurring in or about the Developer Project or the improvements or the construction and improvement thereof and shall name the City as an additional named insured waiving any right of subrogation.

SECTION VIII **DEFAULT REMEDIES**

8.1. **Defaults/Remedies:** If, subject to Section 8.2, either party defaults under this Agreement or fails to perform or keep any term or condition required to be performed or kept by such Party, the defaulting party shall, upon written notice from the other non-defaulting party, proceed to cure or remedy such default or breach within sixty (60) days after receipt of such notice. In the case of an uncured City default, the Developer shall have as its sole and exclusive remedy the right of specific performance. In the event of an uncured default by Developer, the City will be under no obligation to continue any payments of Available Developer Property Increment, may terminate all pledges of Available Developer Property Increment, and may cancel this Agreement and/or any future payments due hereunder. The City will have the right to require specific

performance or to perform any term hereof and then be entitled to indemnity for the costs thereof from Developer. Provided the default by Developer is cured within sixty (60) days, those annual payments which would have been paid, if not for Developer default, will then be paid to Developer.

8.2. **Event of Default.** For purposes of the Agreement, the occurrence of any one or more of the following (or any other events identified elsewhere in this agreement as an Event of Default), shall constitute an “**Event of Default**”:

(a) If, at any time, any material term, warranty, representation or statement made or furnished by the City or Developer (including the representations and warranties of Developer described in Section 2.1 hereof) is not true and correct in any material respect because of which either Party is unable to fulfill its obligations hereunder; or

(b) Failure by Developer to meet any of the conditions, obligations or covenants contained in this Agreement, including but not limited to the failure of Developer to construct the Facility in the manner and within the time described in this Agreement; or

(c) If any petition is filed by or against the City or Developer under the Federal Bankruptcy Code or any similar state or federal law, whether now or hereinafter existing (and in the case of involuntary proceedings, failure to cause the same to be vacated, stayed or set aside within ninety (90) days after filing); or

(d) If any lender of Developer (or a lender of any affiliated entity of Developer), forecloses on any of the Developer Property or accepts a deed in lieu of foreclosure from Developer for any of the Developer Property or if any portions of the Developer Property are in any other manner surrendered to a lender; or

(e) If City fails to make payment to Developer of tax increment allocation which is due under this Agreement pursuant to Section 5.1, unless such payment is determined to be disallowed under the Act; or

(f) If Developer fails to pay any real estate tax when due; or

(g) Any assignment, pledge, encumbrance, transfer or other disposition which is prohibited under this Agreement; or

(h) If Developer fails to pay any SSA payment.

8.3. **Waiver and Estoppel.** Any delay by the City or Developer in instituting or prosecuting any actions or proceedings or otherwise asserting its rights shall not operate as a waiver of such rights or operate to deprive the City or Developer of or limit such rights in any way. No waiver made by the City or Developer with respect to any specific default shall be construed, considered or treated as a waiver of the rights of the City or Developer with respect to any other defaults;

SECTION IX **PERFORMANCE**

9.1. **Time of the Essence.** Time is of the essence of the Agreement.

9.2. **Permitted Delays**. Neither the City nor Developer shall be considered in breach of its obligations with respect to the commencement and completion of the Developer Project or provision of tax increment financing, because of the impossibility of performance or the limitations of Illinois law, or in the event of delay in the performance of such obligations due to unforeseeable causes beyond such Party's control and without such Party's fault or negligence, including any delays or due to court order, acts of God, acts of the public enemy, acts of the United States, acts of the other party, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, embargoes, economic exigencies, shortages of labor or materials and severe weather or delays of subcontractors due to such causes or any other situation recognized as a force majeure. Subject to the limitations and restrictions of the Act, the time for the performance of the obligations shall be extended for the period of the enforced delay if the City or Developer, as the case may be, seeking the extension shall notify in writing the other within twenty (20) days after the beginning or any such delay and shall use diligence in attempting to complete performance of its obligations.

SECTION X **GENERAL**

10.1. **Drafter Bias**: The parties acknowledge and agree that the terms of this Agreement are the result of on-going and extensive negotiations between the parties, both of whom are represented by independent counsel, and that this Agreement is a result of said negotiations. As a result, in the event that a court is asked to interpret any portion of this contract, neither of the parties shall be deemed the drafter hereof and neither shall be given benefit of such presumption that may be set out by law.

10.2. **Partnership not intended nor Created**: Nothing in this Agreement is intended to, nor shall be deemed to, constitute a partnership or joint venture between the Parties.

10.3. **Entirety and Binding Effect**: This document represents the entirety of the agreement between the Parties and shall be binding upon them and inure to the benefit of and be enforceable by and against their respective successors, personal representatives, heirs, legatees, and assigns.

10.4. **Survival of Provisions**: If any of the provisions of this agreement are found to be invalid pursuant to any statute or rule of law of the State of Illinois or of any court of competent jurisdiction in which it may be so brought to be enforced, then such provisions shall be deemed null and void to the extent that they may conflict herewith, however the remainder of this instrument and any other application of such provision shall not be affected thereby.

10.5. **Use of Headings**: The headings appearing in this Agreement have been inserted for the purpose of convenience and ready reference. They do not purport to, and shall not be deemed to, define, limit or extend the scope or intent of the clauses to which they pertain.

10.6. **Amendments and Modifications**: Except as otherwise provided for herein, this Agreement may not be amended, modified, or terminated, nor may any obligation hereunder be waived orally, and no such amendment, modification, termination, or waiver shall be effective for any purpose unless it is in writing, and bears the signatures of all of the Parties hereto.

ARCHITECTURAL DESIGN CRITERIA

Overall Character

The buildings throughout Developer Property will be a tasteful mixture of traditional and contemporary forms and elements. The entry of each building will be signaled in mass and form, while the remaining extents of the buildings vary in composition and/or massing so as not to be repetitive. Each building will have at least one signature, architectural massing element that sets it apart from the rest and identifies it better than signage can alone. These forms very often signal the entry, although they do not need to.

Materials

As a high quality development that is built for the future, buildings located on the Developer Property will employ materials with a consideration to the sense of quality they invoke, their historic usage, and longevity. The colors used by buildings reinforce the goal to foster a warm and inviting atmosphere. A building's primary color will predominantly be warm tones common to the earth, stone, prairie and forest. Contrasting, bold and saturated colors are acceptable as accents but should not be a dominant color.

Buildings may vary greatly in the materials they employ, but do not use those that invoke images not in keeping with a high quality, timeless, professional environment. The buildings throughout the Developer Property shall adhere to the following:

1. Roof System:
 - a. The roof system shall have a parapet around the entire perimeter of the building for the purpose of concealing from ground view, while at the same grade level, the membrane or metal panel roof system.
 - b. No visible gable roof systems allowed.
 - c. No exposed gutters allowed.
 - d. Interior or exterior roof drainage system utilizing scuppers will be allowed.

2. Exterior Wall System Finish and Facade System Finish Material:
 - a. The following are not allowed building materials unless the City's Director of Community Development approves the architectural design of the building, in its sole discretion:
 - i. Metal except as appropriate for accent (i.e. metal cladding, window systems, doors etc); or
 - ii. Corrugated metals; or
 - iii. EIFS; or
 - iv. Wood materials; or
 - v. Flat CMU units; or
 - vi. Wood or hardy plank; or
 - vii. Vinyl or Plastic; or

- viii. Exposed Concrete / Cinder Block (without rustication); or
- ix. Asphalt shingle

This exhibit shall not waive any of the development or design guidelines referenced in the annexation agreements of record relating to the Developer Property, but shall act to further restrict the same. The requirements of this Exhibit may be waived by written express intent referencing waiver of specific requirements of this exhibit by the Mayor or Director of Community Development.
