City of Loves Park

Finance & Administration

By Alderman John Jacobson

Resolution No. _____

Date: April 12, 2021

Department: Finance & Administration

Whereas, the current electric municipal aggregation program to all residential and qualified small businesses will expire in September 2021, and

Whereas, the City Council of the City of Loves Park, Illinois has determined that it is desirable to continue the municipal electric aggregation program so long as the City can secure a supply rate lower than the known ComEd supply rate; and

Now therefore, be it resolved that by the adoption of this Resolution, the Mayor is authorized and directed to seek bids from responsible low bidders in order to negotiate and enter into a wholesale electricity supply contract for the City on terms as deemed appropriate and with said contract to be in the best interest of the City. This process and potential contract shall include residents, qualified small businesses, water department pumping power and for City street lighting. Said pricing shall not exceed three (3) years in length and the Mayor will report to the City Council the outcome of the solicitation as soon as is reasonable possible.

RESOLUTION NO. _____

**A RESOLUTION OPPOSING HOUSE BILL 1727 REGARDING THE ELIMINATION
OF QUALIFIED IMMUNITY FOR POLICE OFFICERS**

WHEREAS, the Illinois Legislature is considering House Bill 1727 which would remove all immunity protections for police officers of our State if it becomes law; and

WHEREAS, the City agrees that thoughtful and well-reasoned reform of the criminal justice system is both beneficial and necessary, but believes that the changes represented in House Bill 1727 are not provisions that would lead to positive reform; and

WHEREAS, well-intentioned as the drafters may have been, they have failed to recognize the split-second decision making required of our law enforcement personnel and the devastating effect that a change to the law such as this may have on the recruitment and retention of officers in our already short-staffed police departments in Illinois; and

WHEREAS, the City supports the Legislature undertaking a thoughtful and measured process for reform that involves all stakeholders and results in positive changes to our criminal justice system to right inequities that exist therein while protecting the community as a whole and not villainizing our police officers who are performing their duties with honor in the face of situations not experienced by the general public.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and the City Council of the City of Loves Park, County of Winnebago and County of Boone, Illinois, that by the adoption of this Resolution, that the Mayor and the City Council hereby agree as follows:

1. The above recitals are hereby incorporated into this Resolution as if fully stated herein.
2. The City again commends the professionalism of the Loves Park Police Department and its officers in their work to both protect the City and for acting in a responsible manner in interacting with our citizens.
3. The City calls upon the Legislature to reject House Bill 1727 and calls upon the Legislature to instead take-up a process for thoughtful and studied reform of our criminal justice system allowing

for meaningful input from all stakeholders rather than continuing a process of piecemeal legislation that creates unintended consequences harmful to public safety and to the functioning of the system.

4. This Resolution shall be in full force and effect from and after its passage and approval.
